It was the month of July, and all eyes were set on watching the Tour De France. One had the opportunity to experience their own tour of France with Phoenix Corkscrews as they brought out their best wines and food to Old Town Scottsdale. Hosted at Cook N' Jacks, this particular event allowed everyone to sample French wines including Loire River Valley, Vin de Pays and Rhone River Valley as well as food items such as bruschetta, Black Forest Asparagus and Cook N' Jack's Famous Sliders.
